NOW FAVORS TARIFF COMMISSION

For a long time, the National assoof Manufacturers has urged the ation of a permanent tariff commisand the Boston Home Market th has antagonized the project. Now. Albert Clarke, secretary of the h, has announced that he withdraws sition and that he favors the verse. ed commission. In an interview at New Britain, Sunday, Colonel Chas. M. Jarvis, vice-president of the American Hardware Corporation, halled Col. Clarkes change of position as indicatng "That now the New England busis interests will unite in an effort to have all future tariff bills based on an impartial and scientific invesigation by a competent board of exts." He also asserted that the proin the Senate tariff bill, "calling a composite board drawn from erce and labor is a step in the

for several years." As Col. Clarke is a radical protecthat the "composite board" proided for in the tariff bill, and also the on of tariff experts advocated by the National Manufacturers' assowould operate in substantial with his views-that is, ist a tariff for revenue with inciiental protection, and in favor of a etween these two principles. Protection with incidental revenue exists w and has resulted in a \$100,000,000 growth in the number of tariff made

energetic attempt to enforce the w is made. Auto speeding beyond the legal limit can be stopped, as can also reckless driving even though uner the speed limit, and also unauthorized driving.

Quite a difference is found between sevelt and Taft methods. The Attorney General has discovered that by means of fictitious valuations of beef damaged or delayed in transit, the Chicago packers have practically secured rebates in freight charges, and he has warned them against continuance of the past week his life had been in the practice. Mr. Roosevelt would the practice. Mr. Roosevelt would most sixty years of age, and had been most sixty years of age, and had been will have one of the most to send the practice. The death of Fire Chief Herman R. A. Seggel, at 9 o'clock last Sunday age and lowered or raised over the gar age and lowered or raised over the car by a clutch pulley.

If the bill that has been introduced in the State Legislature by Senator hanging in the balance. He was altered age and lowered or raised over the car by a clutch pulley.

If the bill that has been introduced in the State Legislature by Senator Page, of Milwaukee, becomes a law, wisconsin will have one of the most to senate the car by a clutch pulley.

If the bill that has been introduced in the State Legislature by Senator Page, of Milwaukee, becomes a law, wisconsin will have one of the most to senate the car by a clutch pulley.

If the bill that has been introduced in the State Legislature by Senator Page, of Milwaukee, becomes a law, wisconsin will have one of the most to senate the car by a clutch pulley. aged or delayed in transit, the Chihave indulged in pyrotechnic invective, nd would have instituted prosecutions anter. There will now be an oprtunity of judging the relative merits of the two policies.

President Mary E. Woolley of the Mt. Holyoke College for Girls declares that factory, store and office girls that factory, store and office girls six children and a widow. His two six children and a widow. His two sons from New Jersey, George and Adolph, have arrived in town. The former, she says, appreciate home life, while the latter do not the highway, or as to end danger property or the life and limb of any person."

The first national stock chasses road race for the trophy donated by Ira M. Cobe, president of the Chicago Automobile Club, will be the first big road preciate home life, while the latter do preciate home life, while the latter do not. Her opinion is in effect an amplification of the views of other authorities who hold that collegiate education unfits girls for domestic life. Far be it from us to express an opinion upon so delicate a subject; it is the better in a sody.

In the place tomorrow morning at St. Thomas' church. A. G. Smith, secretary of the fire company, issued a call for a meeting last night at the truck house to make arrangements for the funeral. The flag is flying at half mast, and it is understood the boys will attend the funeral liminaries for the coming event, which it is proposed to hold on May 28th and June 1st—Decoration Day falling on Sunday. licy to leave that privilege to Present Woolley and other ladies of simliarly high standing.

The refusal of the British, French and Dutch governments to allow ExPresident Castro of Venezuela to use their ports as headquarters for a revolutionary movement against President Gemez, and the naval activity of the American government against Castro, may be classed as "extra judicial" and as an arbitrary exercise of power, but are not likely to be criticized when expert in the residence of those who came to town on the keeping of the same car from the two for Easter were Miss Katle Francis of New York; Mr. and Mrs. Daniel Curran of New York; Miss Annie Cultar of New York; Mr. and Mrs. Daniel Curran of New York; Miss Annie Cultar of New Yor The refusal of the British, French are not likely to be criticized when exercised against such a "pestilent felow," one who seeks to regain power in uela and who, if successful, ents with all the powers.

The reduction of 20 to 25 per cent. in structural iron, has stimulated real tate operations, particularly in the and created a very favorable impression.

There is a rumor that there will be another boxing bout next week at the usual place.

The more reason why the system should receive every possible care, and if leather protectors are not used it is necessary to clean out the joints at frequent intervals, apply hard grease to the surfaces, and pack the same into the cavities. Richard Bender was seized with hemorrhages from the lungs at the works of the Royal Equipment Co., at 165 Housatonic avenue yesterday afternoon, particularly of homes which regenerally wood structures, but the interests have made a strong in New Haven. Free lumber, proposed in the

fight against free lumber, with the result that the Senate stands against it THE AUTOMOBILE WORLD the proportion of two to one.

There have occurred in Tampa, Fla., during the past year no less than twelve alleged Black Hand murders. The population includes about 5,600 Italians, mostly Sicilians, and they have constantly refused, probably through fear, to aid in the detection of the guilty. It is becoming more and more clear that some method of teaching Sicilians that their home methods will not be tolerated in this country, be found. Granted, that the Black Hand almost invariably find victims among their own people, yet it operations in other directions. It is much better to "scotch the snake" now than to await that time. Murdered Lieut. Petrosino was engaged in this work when death overtook him.

sponsor, Senator Aldrich, be a surprise. It will, he says, reduce the burdens up on 75 per cent, of the articles used by all people and will, in addition, lengthen the free list. This statement fits in with the previous report that the Senate bill would reduce the duties on a large number of small and comparatively unimportant articles, while increasing them upon the products of the big trusts. The desired reduction in the amount of tobacco to be imported free from the Philippines is not grantwill be probably free hides. Cocoa is put on the free list, and the Senate is to vote directly upon the questions of free lumber, hides, steel rails, petroleum and coal, with the probabilities against all of them. The announcement of a pleasant surprise for comment of a pleasant surprise for com ed and free lumber will be refused as
